**2017 Thorne Cup Leading Scorer “Points” (24), on (8) Goals and (16) Assists**

**2017 Thorne Cup All-Star**

**3<sup>rd</sup> Place All-Time in Points (194), Goals (74), Assists (74) in Jr Thunder History**

**Averaged 2.5 Points Per Game in 79 games played**

#### **Jack McClelland (4 Year Player)**

**2017 Thorne Cup All-Star**

**2<sup>nd</sup> Place All-Time Jr Thunder, in Points (225), Goals (87), Assists (138), Games Played (167)**

**1st Place All-Time Penalty Minute Leader in Jr Thunder History (541)**

**5<sup>th</sup> All-Time in WSHL Penalty Minute History (541)**

#### **Zach Balodis (3 Year Player)**

**2017 Thorne Cup All-Star**

**1st Place All-Time Jr Thunder Defensemen, in Points (121), Goals (27), Assists (94)**

**2017 Thorne Cup Leading Scorer for Defensemen, “Points” (14), on (1) Goal, (13) Assists**

**5<sup>th</sup> Place All-Time in WSHL Scoring for Defensemen, Points (121), Goals (27), Assists (94)**

#### **Erik Spath (2 Year Player)**

**2017 Thorne Cup All-Star**

**2017 Thorne Cup Leader in “Wins” (9)**

**1<sup>st</sup> Place All-Time in Jr Thunder History, “Save Percentage” (.922), “Wins” (48)**

2019-20

TOTEMS

HOCKEY

VALENCIA

Thank you for your interest in joining the Wichita Junior Thunder for the 2019-20 season. We are two years removed from winning the **Thorne Cup** in just our 5<sup>th</sup> season. Our program has come a long way in a short time in the Western States Hockey League and we are very excited with what our program has to offer. Below is the basics of the program, I assure you, we have one of the best set ups at the Junior Hockey level. Please look it over with your parents and let me know what you think.

Our team has not yet set up a mini camp for this off season but we will enter the Junior team in our Level One Wichita River Fest Tournament here in Wichita, this tournament takes place June 8-10 this year, it is a non-check tournament but there are 4 to 6 pretty competitive teams involved and is a good time, you are welcome to come skate for that weekend. We can just put you up at one of the billets if you are interested, or get a deal on our team hotel. This would be a great opportunity to check out our facilities and for us to meet you, there will be a lot of potential players playing in the tournament that we will be signing for next year.

The main point we like to make to recruits is that Junior Hockey is about giving kids the tools to develop their skills, both on and off the ice. Here in Wichita we have that combination with the use of Genesis Health Clubs and our home rink the Wichita Ice Center. By winning the league championship just a couple seasons ago, it proves our commitment to development and judging by our last two seasons progress we are back on track to compete once again for the Thorne Cup. Take the time to read further about the facilities and we hope you decide to come.

#### **Here is a rundown of what we offer and how much it costs:**

Billet Fees **\$375** per month paid on the 1st day you move in and every month after that. Team Fees are **\$8,000** and needs to be paid with a **\$1000** minimum down payment and four postdated checks or bank drafts for Sept 1<sup>st</sup>, Oct 1<sup>st</sup>, Nov 1<sup>st</sup> and December 1<sup>st</sup>, for the remaining balance. We do offer payment plans throughout the season as well, but you will need to leave a credit card number or post-dated checks so you can be billed monthly.

We as a team realize the costs of playing hockey in the US, that's why we are trying to provide the best possible training and learning environment for our players. Our owners are a Health Club based ownership and within the last 7 years have taken over the hockey industry here in Wichita. For us, that is the best combination a junior player could ask for, ice time and gym time.

#### **This is what we have to offer:**

Our team gets the same equipment and jerseys as the Pro team here town, so we get all CCM Equipment and Pro Style jerseys. The Players will get a black helmet and black gloves that they will keep, they are provided black covers for their pants that they return to us. We also have hockey bags for the players that we use each year (not to keep). Players will be provided game tape and some practice tape, free skate sharpening and a 15% discount in our pro shop that can order any major brand of equipment and sticks. Goal-tending equipment is very expensive but we do have some options to get new gear at a "Pro Cost" due to our affiliation with the Pro Thunder team. Players will get a team track suit and team work out short and shirts to keep as well. We will wear track suits on all road games and players wear suits for home games. Player will also get to keep one jersey at the end of the year (as a team they vote on home or away). Please check out our website at [www.wichitajuniorthunder.com](http://www.wichitajuniorthunder.com)

## **This is what we have to offer: (continued)**

Players also get to go to any pro Thunder game for free, when we are in town the guys get together and go to the games. Pro players will skate with our team all the way up to October and during season if they need extra ice time or are recovering from injury. Junior players always try harder with pros on the ice and for them to see how hard professionals work at practice helps them understand the commitment needed to fully reach their goals.

A huge part of what we offer is our Facilities, both at the Wichita Ice Center and Genesis Health Clubs, at this stage of their career these are the two most important aspects that need to be addressed. The players get to skate at any Drop-In, Stick and Puck or Public skate for free when they are already scheduled. We have over 120 hours scheduled for practice this year not including the drop-ins or stick and puck opportunities which could amount to an extra 4 hours per week on the ice or over 100 additional hours of ice time. The players get a work out pass and are able to work out at any of the four state of the art Genesis Health Clubs in the Wichita area, including the one on second floor of our rink. Team will have weight training regimen and spin class on a weekly basis. Please visit the Genesis website at <http://www.genesishealthclubs.com/> to learn more about the facilities.

Team locker room access through punch code on door, so if players want to get extra ice time they have easy access to equipment

The WSHL is the largest and is a very talented and growing Junior A league, we play a **51** game schedule highlighted by our College Showcase in Las Vegas, where over 70 colleges and higher Junior leagues will be in attendance. This will take place in December, usually the third week and will feature 3 games for our program.

**\*\***We do have trade with most of the teams in our division, with trade we get both pre-game meals and post game meals plus hotel stay with some form of hot free breakfast. The teams that we do not trade with, our team will cover cost of pre-game and post game meals including the "buffet pass" during the Showcase in Las Vegas.

*We are signing players early this year and hope they can come in as early as possible to start building team rapport, I'm not rushing any decision on your part, we just don't want to be building teams in August. Since our owners own the ice and we have Pro Players that stick around all summer, we will have ice time to scrimmage and work on your skills.*

**\*\*Also, if you are interested in our program, please send me a basic bio including Height, Weight, Position, which way you shoot or catch, DOB and stats from last year to [rweingartner@wichitathunder.com](mailto:rweingartner@wichitathunder.com)**

**Joel Lomurno- President**

A graduate of La Salle University in Philadelphia, PA, Joel has been with the Thunder organization for 27 years serving in various capacities. Joel is President for both the Jr. Thunder and the General manager for the East Coast Hockey League's Wichita Thunder. The pro Thunder team advanced to the CHL Finals in both 2012 and 2013 and ranks among the CHL leaders every year for attendance.

[jlomurno@wichitathunder.com](mailto:jlomurno@wichitathunder.com)

**Rob Weingartner- General Manager/ Head Coach**

Rob is entering his 7<sup>th</sup> year as the head coach of the Wichita Junior Thunder. A level 4 USA Hockey Certified Coach, Rob brings over 30 years of hockey experience to the Wichita Jr. Thunder. Rob was an Assistant Coach for the Wichita Thunder (CHL) from 2005 to 2007 where he was name Head Coach for the remainder of the 2007-08 season. He had an 8-year professional career as a player in the CHL, ECHL, IHL and had a couple of try-outs at the NHL Level. Rob has also helped develop the youth hockey programs in Wichita and has taught hockey camps throughout his career.

[rweingartner@jrwichitathunder.com](mailto:rweingartner@jrwichitathunder.com) Phone: 316-841-9274

**Kevin St. Pierre- Asst. GM/ Goalie Coach**

Kevin had a solid professional career, playing 16 years in 7 different leagues including two championships, one with Shreveport in the WPHL and one with Nottingham in the EIHL. Originally from Sherbrooke, QC, Kevin won 40 plus games 3 times in his career, won Goaltender of the Year in 97-98 and had a try-out with the Nashville Predators of the NHL. Along with his administrative duties Kevin will also help on the bench and with Goaltenders.

**Sean O'Reilly- Assistant Coach**

Sean played five years in the Central Hockey League all for the Wichita Thunder, from 1997 through 2002. O'Reilly was an all around defenseman who scored 27 goals and had 142 assists for a total of 169 points in 311 games played. He also managed 926 penalty minutes in that time earning his nick name "The Junk Yard Dog". Sean played juniors in the OHL and won a Championship while playing for Acadia in Canadian University. Sean is also the President of the Youth Hockey in Wichita.

## Why choose the Wichita Junior Thunder?

The Wichita Junior Thunder has teamed up with *Genesis Health Clubs*, *Wichita Thunder* and *The Wichita Ice Center* to provide a top Quality, Junior "A" hockey experience in the city of Wichita. With a 51 game schedule highlighted with a December Showcase in Las Vegas where colleges and Junior scouts will be in attendance, the Wichita Junior Thunder will be a great place to take the next step in your hockey career.

**Genesis Health Club** has five comprehensive fitness centers in Wichita Kansas, offering the most well rounded fitness experience in the Midwest. Each of the Genesis Health Clubs locations provides cardio and weight training equipment, group fitness classes, personal trainers, and much more. Players will also have weekly spin class provided by Genesis Health Club

Each of the five Wichita, Kansas clubs also provide specialized amenities and services including child care, tanning, basketball courts, steam rooms, tennis courts, yoga/pilates studios and more. Check out each Wichita health club to learn more.

With the newest of Genesis Health Clubs located on the second floor of the Wichita Ice Center, each player will have optimal opportunity to strengthen his game and work on a healthy life style with the use of this facility.

The *Wichita Thunder* is entering its 27<sup>th</sup> season in minor league hockey, 22 seasons competing in the Central Hockey League and the last 4 years in the ECHL. The Wichita Thunder have a strong history of competitive hockey in the CHL, earning a all-time record of 671 wins, 638 losses, 10 ties, 25 over time losses and 92 shoot out losses in 1,436 games played, the Thunder also won CHL Championships in 1994 and 1995. The past couple of years in the ECHL haven't faired as well, last season Malcom Cameron was brought in as the new head coach to lead the Thunder back to contention. In his first season the team utilized an affiliate agreement with the Ottawa Senators, this season they worked out an agreement to be affiliated with the Edmonton Oilers (NHL) and Bakersfield Condors (AHL).

Junior players will have direct interaction with pro players on a regular basis. They will be able to attend games for free and get an inside track on how the pro players practice and prepare for games. Junior Thunder players will also help with promotions and community service with the Pro Thunder players.

The Junior team will also have the opportunity to play games at Intrust Bank Arena, the home of the Wichita Thunder. This is a great opportunity for our Junior players to get a pro experience. These games are played before the pro games, usually at 3:00pm.

## Entering 26th year 1992-2017

# WICHITA ICE CENTER

SKATE PLAY CHILL

The *Wichita Ice Center* has Olympic & NHL Rinks, Full-Length Viewing Windows, Meeting & Banquet Rental, Concessions, Party Rooms, Learn To Skate Programs, Learn to Play Hockey, Youth & Adult Hockey Leagues, Competitive and Recreational Figure Skating Academy.

The Olympic ice rink will be the home of our Wichita Junior Thunder. The big ice surface will provide a great opportunity to work on ever important skating skills as well as angles. The rink has over 800 seats plus Standing Room available for the viewing of the Junior "A" games.

Also located on premises is a Pro Shop for all your equipment needs as well as one of the awards winning *Genesis Health Clubs* located on second floor.

The health club is adjacent to 'Pucks', a new sports bar also located upstairs at the Ice Center. Pucks serves several types of beer on tap, has a full bar and includes several large flat-screen TVs for sports viewing. It is a great hot spot for after your workout to chill and relax with friends!

## What are the differences in the Junior Leagues in the USA?

### Tier I

The [United States Hockey League](#) (USHL) is currently the only Tier I league in the country, consisting of teams in the Central and Midwestern United States. The USHL provides an alternative to major junior hockey for kids who want to play in the NCAA before entering a professional league such as the NHL.

While playing in the USHL, all player expenses are paid for by the team; no membership or equipment fees are charged. Unlike major junior teams, the professional leagues draft significantly less directly from the USHL teams and the free-college stipend does not exist.

For most of its existence the USHL was considered inferior in quality of play to the major junior levels. But it continued to improve and as of 2008 about 10% of NHL players had played USHL in their career (compared with 40% who had played NCAA Division I hockey at some time). Between 80 and 90 percent of USHL players continued into NCAA hockey, as this is the main reason for playing Tier I instead of major junior in Canada.

### Tier II

Currently, the [North American Hockey League](#) is the only USA Hockey-sanctioned Tier II league in the United States. The NAHL consists of teams spread across the western two thirds of the United States with a significant concentration of teams in the central and southwestern parts of the United States, although the league began to expand to east coast as of 2015. In October 2016, the Tier III [United States Premier Hockey League](#), a league predominately located on the east coast, applied to USA Hockey for approval of a Tier II league to begin in the 2017–18 season, however, the league was denied that December and decided to operate its Tier II league independently.

The NAHL, like the USHL, provides young players an alternative to major junior hockey, although the skill level is considered significantly lower than major junior hockey and typically filled with those who would not or did not make the roster of a Tier I team. Unlike Tier I, the NAHL does not pay for all players' expenses, such as room and board, but there is no tuition cost to the player as in Tier III.

## What are the differences in the Junior Leagues in the USA?

### Tier III

In addition to paying for room and board, players at the Tier III level pay a fee or tuition, commonly ranging from \$4,000 to \$9,500. This is for all accounts and purposes an amateur level, although some players go directly to [NCAA Division I](#) schools. Most Tier III players are looking to increase their skills in hopes to move up to Tier I or II, while other players go directly to [NCAA Division III](#), [ACHA](#) and [NCHA](#) schools.

[Eastern Hockey League](#) – two divisions (EHL and EHL Premier)

[North American 3 Hockey League](#)

### AAU

The [Amateur Athletic Union](#) returned to sanctioning the sport of ice hockey in 2011. Prior to the 2011–12 season, the [Western States Hockey League](#) became the first large-scale junior league to exit USA Hockey in favor of the AAU. In 2012, the AAU formed the [United Hockey Union](#) for managing its hockey leagues and held a championship tournament in 2013 and 2014. Currently all junior hockey leagues under the UHU umbrella operate under a similar pay-to-play USA Hockey Tier III and Hockey Canada's Junior A structure, although the WSHL is considered Tier II within the UHU hierarchy. One of the main reasons that some teams and leagues have chosen the AAU is for the looser player import restrictions. In most USA Hockey sanctioned leagues, each team is limited to a maximum of four non-US citizen players (with a loophole for non-US citizens that have been registered USA Hockey members for three seasons). However, under AAU sanctioning, teams may have up to 14 non-North American players (meaning players from Canada and the United States are not counted as imports in either country). The increased import limit has led to more competitive teams where it was more difficult to recruit local talent. It also allows more European players opportunities to play in the junior level of North American hockey leagues that would be normally be limited under Hockey Canada and USA Hockey restrictions.

### UHU junior leagues

[Canadian Premier Junior Hockey League](#)

[Western States Hockey League](#) – Tier II status

## What league will the Wichita Junior Thunder play in?

The WSHL is a Amateur Athletic Union (AAU) sanctioned, Junior "A" Tier II level of Junior Hockey coming off the most successful season in its 22-year history of the league. The **Western States Hockey League** is proud of its 27 team strong Tier II level of Junior hockey that continues to grow each year with both its level of play and its expansion throughout the United States. The three new teams that joined during the 2014-15 season, the Oklahoma City Jr. Blazers, Butte Cobras and Las Vegas Storm, were all very successful, which encouraged Vancouver, WA to join the WSHL for the 2015-16 Season. This year Breckenridge, CO as well as Bellingham, WA join the WSHL and for the seventh consecutive season, the WSHL has expanded the amount of member clubs, from 13 teams in 2010-2011, to an all-time high of 30 teams that will compete across four divisions in the 2016-2017 season.

The five divisions in the WSHL during the 2018-19 Season:

### **Pacific Division**

- Long Beach Bombers (Lakewood, CA)
- San Diego Gulls (Escondido, CA)
- Valencia Flyers (Valencia, CA)
- Fresno Monsters (Fresno, CA)
- Ontario Avalanche (Ontario, CA)

### **Midwest Division**

- Dallas Snipers (Plano, TX)
- Colorado Eagles (Greenley, CO)
- Wichita Jr. Thunder (Wichita, KS)
- El Paso Rhinos (El Paso, TX)
- Oklahoma City Blazer (Oklahoma City, OK)

### **Mountain Division**

- Ogden Mustangs (Ogden, UT)
- Cheyenne Stampede (Cheyenne, WY)
- Steam Boat Wranglers (Steam boat, CO)
- Casper Bobcats (Casper, WY)
- Salt Lake City Outliners (Salt Lake City, UT)

### **Northwest Division**

- Seattle Totems (Seattle, WA)
- Southern Oregon Spartans (Medford, OR)
- Bellingham Blaze (Bellingham, WA)
- Casper Bobcats (Casper, WY)
- West Sound Admirals, (Bremerton, WA)

### **Provincial Division (Canada WPHL)**

- Edson Aeros (Edson, AB)
- Hinton Wildcats (Hinton, AB)
- Meadow Lake Mustangs (Meadow Lake, SK)
- Cold Lake (Cold Lake, AB)

### **Expansion 2019-20**

- Las Vegas Thunderbirds (Las Vegas, NV)
- Pueblo Bulls (Pueblo, CO)
- Slave Lake Dragons
- Maskwacis Attack

*The 2019-20 season* will be a 51 game schedule, 24 of which will be played on home ice, 24 on the road and (3) games at the Western States Shootout, an All-League Showcase in Las Vegas, Nevada. For qualifying teams, there will be Play-Offs and possibly a National event.

### **Where will I live?**

Players will be provided a *Billet* to live with during the hockey season and sometimes until school might be finished. The player is to pay a \$375.00 per month during the season or until the player stay ends at the billets.

### **The Billets will provide the following:**

A separate room and closet for a player, or shared room and bath if hosting more than one player. Desk and chair, Internet access, and furnishings as you might find in a dorm room. Nutritious meals (Team pays for Pre & Post Game meals while on the road)  
A patient, caring and friendly home atmosphere, the same guidance and attention you would want for your children.

### **Where will I go to school or work?**

High School age players will attend the school district in there Billets residence. Players will be required to continue their education as if they were still in their home town. Players already with a High School education will be urged to attend one of the many colleges in the area or gain some form of part time employment during the hockey season.

### **What will I expect to pay for my season?**

In addition to paying for room and board, \$375.00 per month, players at the Tier II level pay a fee, commonly ranging from \$6,500 to \$9,500, with the Jr. Thunder tuition being \$8,000 per season. This fee is collected with an initial down payment and the remainder due Sept 1<sup>st</sup>, Oct 1<sup>st</sup>, Nov 1<sup>st</sup> and Dec 1<sup>st</sup>. If a player joins the team late in a month or is released from the team before his month is finished the team will pro-rate according to number of days divided by the sum paid. The team will work hard in the off season on sponsorships in hope of lowering costs for the 2019-20 season.

*(Housing is paid separately to Billets directly and due by the 1<sup>st</sup> of each upcoming month)*

### **When will try-outs be?**

The Jr. Thunder will be inviting potential players to come play in the River Fest tournament, here in Wichita the first weekend in June 8-10. This is a no-check, but very competitive tournament that will give incoming players a chance to see our facility and the city. You must be 18 years old before June 1<sup>st</sup> to be able to play. I will also help potential recruits get into NAHL camps that I will be scouting, to see how they match up with Tier II competition. Please ask Coach Rob about your possibility of attending one of these camps. The Birthdates eligible for Main Camp Try-Outs include years 1998 through 2002. The main camp will be held the first week of September 2019, with the season starting shortly after. This camp will be the primary players we plan on starting the season with along with some players competing to earn a spot. We will skate 1 X a day for the first week for 1.5 hour sessions, then 2x a day on the first weekend, players will also have dry land training daily at Genesis Health Club located on 2<sup>nd</sup> floor of rink. We will keep 22 skaters and 3 goalies on the team and players will compete daily for the chance to play the games, 20 players are in the line-up for games. Players not in the line-up will be expected to help out with game day promotions. The team will also only take 25 players when we play road games.

The Wichita Junior Thunder would like to congratulate the following players for realizing their dream of playing hockey at the next level.
